<i>MIND HEMISPHERES</i>	3

Mind

- [MANTRAKSHAR FEELING](#)
- [Mind semantograms list](#)
- [mind semantograms](#)
 - [Neuro-pictograms](#)
 - [MENTAL IDEOGRAMS](#)
- [Mind body](#) problem and its organization
 - space
 - [Mind](#) or mental space
 - [Brain](#) space
 - dimensions
 - mental dimensions or spiritual dimensions
 - [Brain](#) dimensions
 - states
 - mental states
 - Psych
 - [Id \(मूल-प्रवृत्ति\)](#)
 - [Ego \(अहम्\)](#)
 - [Super-ego \(विवेक ; परम अहम्\)](#)
 - vegetative states
 - [Brain \(मन \) का वर्गीकरण](#)
 - [सचेतन \(conscious \)](#)
 - [अचेतन \(unconscious \)](#)
 - [अर्धचेतन या पूर्वचेतन \(subconscious or semiconscious or preconscious \)](#)
 - actions
 - mental actions or mental evaluations or mental process
 - vegetative actions

MIND HEMISPHERES

- [Mind](#)
 - [EternalL mind](#) which is thought to [be](#) present in eternal space , is said to [be](#) the analogical model of mortal [mind](#) but is undying and ever replicating and ever learning , considered by some as Krishna's consciousness
 - [Mortal Mind](#) , is a [mind](#) said to [be](#) specific to a [person](#) which is dying and cannot [be](#) replicated but contributes to formation of eternal [mind](#)
 - Naive [Mind](#)
 - Abstract or cognitive [Mind](#)
- [Mind](#)
 - [ENCEPHALON \(BRAIN\) I.](#)
 - Indefinite logic of [mind](#)
 - Front [mind](#)
 - sagittal section of [brain](#)
 - Lateral [Mind](#) / lateral surface of [brain](#)
 - Medial [Mind](#) / medial surface of [brain](#)

- Back [Mind](#)
- [Mind](#) roof
 - [mind](#) cortex
- [Mind](#) base
- Back Bone [Mind](#)
- [Tail Mind](#)
- COMPARTMENTS OF MIND
 - outer [mind](#)
 - inner [mind](#)
- [MENTAL AGENTS OR AGENTS OF MIND](#)
 - receiving agents or sensory nerves
 - memory agents
 - commanding agents or motor nerves
- Views
 - [Mental space](#) , Views of reality in regard to mental space
 - direct realism , naïve realism , perceptual realism, or common sense realism
 - indirect realism
 - Idealism
 - reality is equivalent to [mind](#), spirit, or consciousness
 - Views of [mind](#)
 - [mind-body](#) problem
 - dualism - Dualism holds that the [mind](#) exists independently of the [brain](#)
 - materialism - materialism holds that mental phenomena are identical to neuronal phenomena.
 - idealism - idealism holds that only mental phenomena exist.
