**Mind** ..... 3

# Mind

- [MANTRAKSHAR FEELING](#)
- [Mind semantograms list](#)
- [mind semantograms](#)
  - [Neuro-pictograms](#)
  - [MENTAL IDEOGRAMS](#)
- Views of [mind](#) , [Mind-body](#) problem and its organization
  - space
    - idealism - idealism holds that only mental phenomena exist.
    - materialism - materialism holds that mental phenomena are identical to neuronal phenomena.
    - dualism - Dualism holds that the [mind](#) exists independently of the [brain](#)
      - [Mind](#) or [Mental space](#)
      - [Brain space](#)
    - dimensions
      - [mental dimensions](#) or [spiritual dimensions](#)
      - [ENCEPHALON](#) (Brain dimensions)
    - states of [brain](#) and [mind](#)
      - [MENTAL STATES](#)
        - Psych
          - [Id \(मूल-प्रवृत्ति\)](#)
          - [Ego \(अहम्\)](#)
          - [Super-ego \(विवेक ; परम अहम्\)](#)
        - [VEGETATIVE STATE](#)
          - [Brain](#) (मन ) का वर्गीकरण
            - [सचेतन \(conscious \)](#)
            - [अचेतन \(unconscious \)](#)
            - [अर्धचेतन या पूर्वचेतन \(subconscious or semiconscious or preconscious \)](#)
    - actions of [brain](#) and [mind](#)
      - process called as
        - [mental actions](#) or [mental evaluations](#) or [mental process](#)
        - [Corporeal ACTIONS](#) belonging chiefly to [VEGETATIVE Bodies](#)
      - agents
        - of [brain](#)
          - receiving agents or sensory nerves
          - memory agents
          - commanding agents or motor nerves
        - [MENTAL AGENTS OR AGENTS OF MIND](#)
    - Views of reality by [brain](#) and [mind](#)
      - normal [brain](#)
        - direct realism , naïve realism , perceptual realism, or common sense realism
      - [mind](#)
        - indirect realism
      - Idealism
        - reality is equivalent to [mind](#), spirit, or consciousness

- **Mind**
  - **EternalL mind** which is thought to **be** present in eternal space , is said to **be** the analogical model of mortal **mind** but is undying and ever replicating and ever learning , considered by some as Krishna's consciousness
  - **Mortal Mind** , is a **mind** said to **be** specific to a **person** which is dying and cannot **be** replicated but contributes to formation of eternal **mind**
    - Naive **Mind**
    - Abstract or cognitive **Mind**
