# CARDIOPATHOLOGY

- [Cardiovascular infections](#)
- [Neuro cardio electro pathologies](#)

## REVERSAL OF FLOW

Tricuspid regurgitation
Mitral regurgitation
Pulmonic regurgitation
Aortic regurgitation

## ABNORMAL NARROWING

Tricuspid stenosis
Mitral stenosis
Pulmonic stenosis
Aortic stenosis

## ABNORMAL POSITION

Transposition of great vessels
--------------------------------

## ABNORMAL CONNECTIONS

Total anomalous pulmonary venous connection
Patent ductus arteriosus
Persistent truncus arteriosus

## ABNORMAL ACCUMULATIONS

Left <a href="#">heart</a> failure
Right <a href="#">heart</a> failure
Cardiac tamponade
