# TEMPLATE:ORGAN SYSTEMS

## LIFE SCIENCES

### Andrology

- Male roles
- andro anatomy
- andro histology
- andro cytology
- andro physiology
- andro chemistry
- andro pathology
- andro toxicology
- andro pharmacology
- andro microbiology
- andro radiology
- andro oncology
- andro genetics
- andro embryology
- andro epidemiology
- andro analogies
- andro linguistics
- andro management
- andro prophylaxis
- andro etiologies
- andro symptomatology

### Cardiology

- cardio anatomy
- cardio histology
- cardio cytology
- cardio physiology
- cardio chemistry
- cardio pathology
- cardio toxicology
- cardio pharmacology
- cardio microbiology
- cardio radiology
- cardio oncology
- cardio genetics
- cardio embryology
- cardio epidemiology
- cardio analogies
- cardio linguistics
- cardio management
- cardio prophylaxis
- cardio etiologies
- cardio symptomatology

- skin anatomy
- skin histology
- skin cytology
- skin physiology
- skin chemistry
- skin pathology
- skin toxicology
- skin pharmacology
- skin microbiology
- skin radiology
- skin oncology
- skin genetics
- skin embryology
- skin epidemiology
- skin analogies
- skin linguistics
- skin management
- skin prophylaxis
- skin etiologies
- skin symptomatology

## Dermatology

- endocrine symptomatology
- Endocrine surgical procedures
- Endocrine diagnostic techniques

## Endocrinology

- gastroentero anatomy
- gastroentero histology
- gastroentero cytology
- gastroentero physiology
- gastroentero chemistry
- gastroentero pathology
- gastroentero toxicology
- gastroentero pharmacology
- gastroentero microbiology
- gastroentero radiology
- gastroentero oncology
- gastroentero genetics
- gastroentero embryology
- gastroentero epidemiology
- gastroentero analogies
- gastroentero management
- gastroentero prophylaxis
- gastroentero etiologies
- gastroentero symptomatology

## Gastroenterology

<b>Gynecology</b>	<ul style="list-style-type: none"><li>• gynecology</li><li>• gyneco anatomy</li><li>• gyneco histology</li><li>• gyneco cytology</li><li>• gyneco physiology</li><li>• gyneco chemistry</li><li>• gyneco pathology</li><li>• gyneco toxicology</li><li>• gyneco pharmacology</li><li>• gyneco microbiology</li><li>• gyneco radiology</li><li>• gyneco oncology</li><li>• gyneco genetics</li><li>• gyneco embryology</li><li>• gyneco epidemiology</li><li>• gyneco analogies</li><li>• gyneco linguistics</li><li>• gyneco management</li><li>• gyneco prophylaxis</li><li>• gyneco etiologies</li><li>• gyneco symptomatology</li></ul>
<b>Myology</b>	<ul style="list-style-type: none"><li>• Muscle terminology</li><li>• muscle anatomy</li><li>• muscle histology</li><li>• muscle cytology</li><li>• muscle physiology</li><li>• muscle chemistry</li><li>• muscle pathology</li><li>• muscle toxicology</li><li>• muscle pharmacology</li><li>• muscle microbiology</li><li>• muscle radiology</li><li>• muscle oncology</li><li>• muscle genetics</li><li>• muscle embryology</li><li>• muscle epidemiology</li><li>• muscle analogies</li><li>• muscle linguistics</li><li>• muscle management</li><li>• muscle prophylaxis</li><li>• muscle etiologies</li><li>• muscle symptomatology</li></ul>
<b>Neurology</b>	<ul style="list-style-type: none"><li>• Neuromanagement</li><li>• Neuroprophylaxis</li><li>• Neuroetiologies</li><li>• Neurosymptomatology</li></ul>
<b>Obstetrics</b>	<ul style="list-style-type: none"><li>• Foetal embryology</li><li>• Foetal physiology</li><li>• Foetal Biochemistry</li><li>• Foetal Genetics</li><li>• Foetal pathology</li><li>• Foetal microbiology</li></ul>

- eye anatomy
- eye histology
- eye cytology
- eye physiology
- eye chemistry
- eye pathology
- eye toxicology
- eye pharmacology
- eye microbiology
- eye radiology
- eye oncology
- eye genetics
- eye embryology
- eye epidemiology
- eye analogies
- eye linguistics
- eye\_management
- eye prophylaxis
- eye etiologies
- eye symptomatology

## Ophthalmology

- mouth anatomy
- mouth histology
- mouth cytology
- mouth physiology
- mouth chemistry
- mouth pathology
- mouth toxicology
- mouth pharmacology
- mouth microbiology
- mouth radiology
- mouth oncology
- mouth genetics
- mouth embryology
- mouth epidemiology
- mouth analogies
- mouth linguistics
- mouth\_management
- mouth prophylaxis
- mouth etiologies
- mouth symptomatology

## Orology

	<ul style="list-style-type: none"><li>• Skeletal structure terminology</li><li>• bone nomenclature</li><li>• bone anatomy</li><li>• bone histology</li><li>• bone cytology</li><li>• bone physiology</li><li>• bone chemistry</li><li>• bone pathology</li><li>• bone toxicology</li><li>• bone pharmacology</li><li>• bone microbiology</li><li>• bone radiology</li><li>• bone oncology</li><li>• bone genetics</li><li>• bone embryology</li><li>• bone epidemiology</li><li>• bone analogies</li><li>• bone linguistics</li><li>• bone management</li><li>• bone prophylaxis</li><li>• bone etiologies</li><li>• bone symptomatology</li></ul>
<b>Osteology</b>	<ul style="list-style-type: none"><li>• ear anatomy</li><li>• ear histology</li><li>• ear cytology</li><li>• ear physiology</li><li>• ear chemistry</li><li>• ear pathology</li><li>• ear toxicology</li><li>• ear pharmacology</li><li>• ear microbiology</li><li>• ear radiology</li><li>• ear oncology</li><li>• ear genetics</li><li>• ear embryology</li><li>• ear epidemiology</li><li>• ear analogies</li><li>• ear linguistics</li><li>• ear_management</li><li>• ear prophylaxis</li><li>• ear etiologies</li><li>• ear symptomatology</li></ul>
<b>Otology</b>	

**Pulmonology**

- pulmo anatomy
- pulmo histology
- pulmo cytology
- pulmo physiology
- pulmo chemistry
- pulmo pathology
- pulmo toxicology
- pulmo pharmacology
- pulmo microbiology
- pulmo radiology
- pulmo oncology
- pulmo genetics
- pulmo embryology
- pulmo epidemiology
- pulmo analogies
- pulmo management
- pulmo prophylaxis
- pulmo etiologies
- pulmo symptomatology
- Gold standards in pulmonology

**Rhino**

- nose anatomy
- nose histology
- nose cytology
- nose physiology
- nose chemistry
- nose pathology
- nose toxicology
- nose pharmacology
- nose microbiology
- nose radiology
- nose oncology
- nose genetics
- nose embryology
- nose epidemiology
- nose analogies
- nose linguistics
- nose\_management
- nose prophylaxis
- nose etiologies
- nose symptomatology

**Urology**

- uro anatomy
- uro histology
- uro cytology
- uro physiology
- uro chemistry
- uro pathology
- uro toxicology
- uro pharmacology
- uro microbiology
- uro radiology
- uro oncology
- uro genetics
- uro embryology
- uro epidemiology
- uro analogies
- uro linguistics
- uro management
- uro prophylaxis
- uro etiologies
- uro symptomatology
